

CALL FOR ABSTRACTS

Dear OSA Residents and Fellows:

The Ohio Society of Anesthesiologists-Resident Component (OSA-RC) would like your participation in our annual resident's poster competition. It will be held during our Society's 83rd Annual Conference, September 17-18, 2022

Posters in different categories (basic science research, clinical research and case reports) are accepted as long as an abstract is sent and accepted by August 31, 2022 at 6p.m. Please e-mail your abstract to osa@osainc.org and you will be notified via e-mail with the appropriate acceptance letter. **The five best studies will be notified before the Annual Conference.**

ABSTRACT FORMAT

- **TITLE:** should be in **BOLD** and **CAPITAL**
- **AUTHORS:** initial and last names for all authors with the presenting author mentioned first and underlined.
- **Affiliated program**

For case reports, they should include:

Introduction, Case presentation, Discussion, and References (One Award Given)

For clinical and basic science research, they should include:

Introduction, Methods, Results, Discussion, and References (Three Awards Given)

For medical student reports, they should include:

Introduction, Case presentation, Discussion, and References (One Award Given)

The maximum number of references for case reports is three, and for research studies five references.

Abstracts should be:

1. MS WORD format.
2. Not more than two Letter Size (8.5"x11") pages.
3. In "Page Set-Up" please leave at least 0.8" top and bottom, and 1" side margins.
4. Font type (New Roman or Arial)
5. Font size (no less than 11).

DEADLINE: Deadline for abstracts is, August 31, 2022 at 6p.m.

POSTER SIZE: 45" x 45" (Please do NOT make your poster any larger).
