Accreditation and Designation Statements

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American Society of Anesthesiologists (ASA) and the Ohio Society of Anesthesiologists (OSA).

The American Society of Anesthesiologists is accredited by the ACCME to provide continuing medical education for physicians.

The American Society of Anesthesiologists designates this live activity for a maximum of **TBD AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity offers up to **TBD** CME credits, of which **TBD** credits contribute to the patient safety CME component of the American Board of Anesthesiology's MOCA 2.0 program.

Target Audience

The educational program will provide pertinent information to anesthesiologists that practice in Ohio. This would include anesthesiologists practicing in tertiary care non-university hospitals, urban, suburban and rural community hospitals, outpatient surgical centers, office-based practices and university teaching hospitals. The content of this program is also applicable to residents and fellows in anesthesiology as well as anesthesiologists assistants.

Summary Statement

OSA's 86th Annual Meeting is a celebration of excellence in patient care, education and advocacy. Experts will present and discuss a variety of topics from managing clinical challenges and controversies to discussing topics relevant to practice management. These topics will emphasize practical approaches that are appropriate for an anesthesiologist in both private practice as well as academic practice.

Statement of Need

Through presentations and interactive learning sessions with the nation's foremost leaders in value-based care, participants will develop the tools necessary to return to their home medical centers, anesthesia practices and educational institutions to enact immediate change. Presentations from the Ohio Society of Anesthesiologists (OSA), will serve as the foundation for this ground-breaking educational experience.
